

## Welcome

Animation, Design and VFX solutions for the Evolving Digital World.

We create Videos and Visual Content to assist all the digital needs of our clients.

### Getting Things Moving

We are an animation studio that creates engaging videos for web, cinema broadcasting, and other digital platforms with emphasis on well-structured videos and well-designed characters. We work internationally with reputable advertising agencies, production houses, and various established brands.

**Give us your story; we will get it moving.**

### Explainer Videos

Explainer videos convert viewers into loyal customers. Engaging the audiences in the digital world of today can be quite daunting and keeping them hooked can be even trying. We create explainer videos that are exclusively based on the customer requirements and attributes of our clients and prospective buyers. This enables a better understanding of the whole message and brings powerful audience responses. Our explainer videos can provide guaranteed conversion rates.

### Live Action Videos

Real people, real voices, and feels. That's what live-action video brings to the table. We at VideoWizardz help you tell your story and engage your audiences through our limitless live action videos. When you partner with VideoWizardz your story is told in a way that captures more conversions, holds greater viewer attention, and finally represents your brand in a way that is expertly crafted and is visually stunning.

### 3D Videos

3D animated videos can capture the imagination like no other medium. The various 3D beautifully-rendered creations allow you to engage with your audience in a truly poignant fashion. The 3D videos we create at VideoWizardz are spell-binding. From creating stunning and vibrant videos that tell the story as it is intended to be an fantastic employing artist – we at VideoWizardz are genuine ‘the wizards’ when it comes to 3D.
